re: United States v. Marks  
23-cr-197

Dear Judge Seybert,

Please consider this letter a motion to adjourn the upcoming sentencing hearing in the above-referenced matter. The sentencing hearing is currently scheduled for April 12, 2024, and we ask that it be adjourned for approximately seven months until mid-November. At the Court's request, we also ask that preparation of Ms. Marks' presentence investigation report be held in abeyance. The government consents to this request.

Thank you for your assistance in this regard.

Sincerely,  
PERINI & HOERGER
